NOTICE OF VACANCIES

PART-TIME SAFETY INSTRUCTOR
PART-TIME MACHINING/MILLING INSTRUCTOR

Kaskaskia College is seeking an adjunct instructor to provide specialized training in any of the following areas: hot work, fall protection, authorized lockout/tagout, electrical safety, lead exposure control, abrasive blasting, cranes on shore and other safety related subjects. Must have Associate degree in related field or equivalent work experience in the above areas. Prior teaching experience desirable, but not required.

Also seeking an adjunct instructor for basic machining and milling skills. Instructor must have Associate degree or prior work experience in the machining industry and also have strong knowledge in lathes, milling machines, and grinders. Also requires general measurement knowledge and fluency in reading blueprints and accuracy checks. Prior teaching experience desirable, but not required.

For further information regarding courses available and schedule, pay rate, or qualifications required, please call Dean of Career and Technical Education at 618-545-3030.

To receive consideration, applicants must submit a cover letter, along with a resume, unofficial transcripts, and official Kaskaskia College Employment Application to the address below asap. Official Employment Application can be accessed at www.kaskaskia.edu/hr.
