PHYSICAL PLANT

- Building and Grounds Staff worked in conjunction with numerous local, community, and regional entities to provide facilities and services for a wide variety of programs and functions. This effort continues to ensure the College’s place as a premier educational, technical, and cultural provider of opportunities for the residents of Community College District 501. During the annual Fiscal Year 2015, a total of 63,060 students, staff, faculty, and patrons of the College were served through program set-ups by Building and Grounds Staff.
- Moving was conducted at Crisp Technology Center to temporary quarters and back to renovated Education Center. Refinished floor in Auto Body lab and classrooms.
- Refilled potholes on roadways and park lot areas as needed.
- Continuation in Tree Campus USA. Continue to add to growing Arboretum on Main Campus as well as Vandalia Campus.
- Trenton Education Center installed welding machines to included wiring in all necessary equipment.
- Necessary inside painting at Trenton Education Center, Greenville Education Center, and Vandalia Campus. Outside parking lot striping at Trenton Education Center.
The Physical Plant Department continues to actively support the Mission of the College by providing timely, efficient maintenance projects and repairs, and high quality building and grounds services.
