INFORMATION CONCERNING APPLICATION

Applications for the following Fall semester will be available on the website from October 1st until May 31st. No student can apply to the radiology program from June 1st through September 30th. Accepted students can only start the radiology program each fall.

The following is a list of courses that the student can take to prepare for the application process:

Pre-requisites that must be completed before applying to the radiology program:

BIOLOGY: 2 semesters of High School biology within 5 years or 1 semester of college biology equal to Kaskaskia College’s Biology 101, 121, 122, 215 or X-Ray 145, 146.

***If a student wants to take X-Ray 145 & 146 before being accepted into the program, they can call the Radiology Program Director, Mimi Polczynski at 618-545-3363 to get approval to take these courses. If a student takes both Biology 121 & 122 courses before acceptance into the program, those courses along with two 2 credit cross-sectional independent courses offered once a student is accepted into the radiology program can be substituted for X-ray 145 & 146.

ALGEBRA: 2 semesters of High School algebra within 5 years or 1 semester of college algebra equal to Kaskaskia College’s MATH 101 or higher.

COMPUTER: 1 course of High School computers or 1 semester of college computers equal to Kaskaskia College’s CITA 110, 120, 130, 150.

Other components on the application that are considered for acceptance:

GPA: High School GPA within 5 years, or Kaskaskia College or other accredited college cumulative grade point average 2.0 or above (12 hours or more)

ACT composite score within 5 years or other college General Education courses: Points will be given to the highest section. If using the General Education section, points will only be awarded for the following 3 or more courses earned with a grade “B” or better:

English 101 or higher; Math 101 or higher; Psychology 101, Speech 103, a Social Science Elective, Biology 121 & 122 or X-Ray 145 & 146
