**INFORMATION CONCERNING APPLICATION**

Applications for the following Fall semester will be available on the website from October 1\textsuperscript{st} until May 31\textsuperscript{st}. No student can apply to the Respiratory Therapy program from June 1\textsuperscript{st} through September 30\textsuperscript{th}. Accepted students can only start the Respiratory Therapy program each fall.

The following is a list of courses that the student can take to prepare for the application process:

**Pre-requisites that must be completed before applying to the Respiratory Therapy program:**

**BIOLOGY:** 2 semesters of High School biology within 5 years or 1 semester of college biology equal to Kaskaskia College’s Biology 101, 117, 121 or 122

**ALGEBRA:** 2 semesters of High School algebra within 5 years or 1 semester of college algebra equal to Kaskaskia College’s MATH 101 or higher.

**COMPUTER:** 1 course of High School computers or 1 semester of college computers equal to Kaskaskia College’s CITA 110, 120, 130, 150 or approved computer course.

**Other components on the application that are considered for acceptance:**

**GPA:** High School GPA within 5 years, or Kaskaskia College or other accredited college cumulative grade point average 2.0 or above (12 hours or more)

**ACT composite score within 5 years or other college General Education courses:** Points will be given to the highest section. If using the General Education section, points will only be awarded for the following 3 or more courses earned with a grade “B” or better:

- **General Education Courses:** English 101, Psychology 101, Speech 103, Sociology 101, Biology 117 or Biology 121 & 122.

**If you have any questions or need clarification concerning the courses needed for the Respiratory Therapy program worksheet/application, please call Beth Urban at 618-545-3352 or email at burban@kaskaskia.edu**
