TRUSTEE AND PRESIDENT'S COMMENTS AND REPORTS

STUDENT TRUSTEE REPORT

Student Trustee Connor Wademan presented an oral report to the Board which summarized the following:

- The Welcome Back Breakfast and Meet the Clubs event were held on February 5, 2025.
- On February 11, 2025, the Future Business Leaders of America (FBLA) and the Business Club hosted Jonathan McCoy, Talent Manager and Organization Development Manager at Continental Tire. Mr. McCoy engaged with students on various business topics, including career development and strategies for success. The Carlyle FBLA chapter also participated in this event.
- The 8th Grade Career Day occurred on February 21, 2025. Student Trustee Wademan, along with Student Ambassadors, assisted by directing traffic and guiding students to their assigned classrooms and buildings.
- The next Student Huddle is set for February 25, 2025. Student Congress is inviting select clubs and organizations to participate in the huddles to enhance engagement. Members of the Black Students Association and the Fusion Club have been invited to the February meeting.
- Student Congress will be convened on February 26, 2025.

PRESIDENT'S COMMENTS

- President Evans acknowledged Chief Information Officer George Kriss and the Information Technology Team for receiving the prestigious 2025 Ellucian Impact Award, a national accolade honoring institutions for their advancements in technology and innovation. He praised the collaborative efforts of the Information Technology Team alongside various departments during the Ellucian migration and highlighted Kaskaskia College's continuous commitment to technological innovation.
- President Evans reminded everyone that the College will receive the Southern Illinois Advocacy Award from the Leadership Council Southwestern Illinois at a banquet in March.
- The 8th Grade Career Fair was a tremendous success, with the gymnasium reaching full capacity. This serves as a strong justification for the construction of the new gymnasium. The College received numerous positive remarks from representatives of various organizations and businesses present at the event.
- The Governor's budget address was positive toward higher education, proposing an approximate 2.9% increase for higher education. This increase is based on the State's operating budget and will manifest as credit hour reimbursement linking it to our enrollment figures. In these challenging times, any positive net increase is welcomed. There is significant advocacy underway, and while the proposal must pass through the Senate and the House, there appears to be a favorable inclination to maintain or slightly increase funding for higher education. The Governor's proposal also encompasses several grants the College has relied on over the past 5-6 years, including the PATH grant, the mental health grant, the Rev Up grant, and others. The Governor has indicated his intention to continue advocating for these grants.

- President Evans shared updates on three key bills:
 - The Community College Baccalaureate (CCB) bill was introduced last week and referenced in the Governor’s budget address. Both the Illinois Council of Community College Presidents (ICCCP) and the Illinois Community College Trustees Association (ICCTA) support community college Presidents pursuing the CCB. President Evans noted that Kaskaskia College is not currently positioned to offer such a degree; however, there is opportunity for collaboration with the College’s university partners to provide some baccalaureate degrees at Kaskaskia College. The College will stand in solidarity with peer Presidents in advocating for the CCB on their campuses to address the educational deserts identified.
 - The Dual Credit bill has not been introduced; however, it is expected the bill will be introduced this week. Dual Credit Bill 1960 from last year was dropped by Senator Castro. A new version of the Dual Credit Bill endorsed by Senator Castro is being brought forth by the ICCCP. This version of the bill has three significant benefits for the College:
 1. Gives community colleges the first right of refusal for all dual credit offerings in the State of Illinois.
 2. Establishes a process for the community college system and K-12 system to appeal to the ICCB if dual credit is denied. If passed, the ICCB will have the final binding decision.
 3. Clarifies that community colleges may charge a modest fee, if necessary, to help fund dual credit programs statewide. While this has been included in model partnership agreements, the proposed bill provides greater consistency across the State.
 - The Common Course Numbering bill will also be led by the community college system. This legislation presents an opportunity for community colleges to align many educational courses, starting with AIA courses that serve as transfer courses for General Education requirements including subjects such as biology, history, and sciences. The goal is to systematically align course prefixes and learning outcomes based on a shared set of master syllabi, allowing for better communication among the higher education systems. Community colleges are committed to this initiative and the College is well-positioned to collaborate with its forty-five peers to achieve this alignment. The initiative is a significant undertaking they may require a minimum of three years.

ADJOURNMENT

Motion by Louis Kalert to adjourn. All members voted yes by voice vote. The meeting was adjourned at 7:06 p.m.

RESOLUTION 25-04

RESOLUTION ESTABLISHING TUITION AND FEE RATES FOR ACADEMIC YEAR 2025 - 2026 (FY 2026)

WHEREAS, Kaskaskia College is committed to providing quality learning opportunities that are affordable and accessible; and

WHEREAS, the College Administration has reviewed tuition and fee alternatives as well as student tuition and fees policies described in 110 ILCS 805/6 of the Public Community College Act and ICCB Rule 1501.505; and

WHEREAS, Kaskaskia College has consistently met its commitments to maintain equitable financial policies and practices and assist students with identifying resources to help meet their financial obligations; and

WHEREAS, based on the above due diligence, an internal review of fiscal year 2025 mid-year results, Illinois Community College peer group tuition rates and tuition rates of community colleges located in Southern Illinois, a tuition increase of \$4 per credit hour and fee rate of \$2 per credit hour effective summer semester 2025 is recommended; and

WHEREAS, the in-district tuition and fee rate will be \$166 per credit hour (\$140 per credit hour for tuition and \$26 mandatory fees); and

WHEREAS, according to the ICCB Administrative Rules, community colleges may set the out-of-district tuition rate for all other credit instruction in Illinois at a minimum of 1.5 times the highest in-district tuition rate of any of their contiguous Illinois community college districts. This rate is \$171 at Illinois Eastern, which requires a minimum rate of \$256.50 per credit hour. The College's out-of-district rate will be at \$265 and satisfies this condition; and

WHEREAS, according to the ICCB Administrative Rules community colleges may set the out-of-state and international tuition rate at a minimum of 1.67 times the College's in-district rate. This calculation establishes a minimum out-of-state rate of \$277.22. The College's out-of-state rate will be \$425 and satisfies this condition; and

WHEREAS, the online tuition rate for out of district, out of state and international students will increase by \$6 to a rate of \$176 per credit hour.

THEREFORE, BE IT RESOLVED, by the Board of Trustees of Kaskaskia College, Community College District #501, Kaskaskia College's tuition and fees rates for fiscal year 2025-2026 (beginning Summer 2025) and are as follows:

1. In-District Tuition will be \$140 per credit hour with mandatory fees at \$26 per credit hour for a total in-district tuition and fee credit hour rate of \$166.00
2. Out-of-District Tuition be \$239.00/credit hour with mandatory Fees at \$26.00/credit hour, for a total Out-of-District credit hour rate of \$265.00.
3. Out-of-State and International Tuition will be \$399.00/credit hour with Mandatory Fees at \$26.00/credit hour, for total Out-of-State and International credit hour rate of \$425.00
4. Out of district, out-of-state, and international online tuition will be \$150 per credit hour with mandatory fees at \$26 per credit hour for a total rate of \$176.00
